

2024年度「東大の研究室をのぞいてみよう！」参加研究室等一覧/ List of sessions offered in English

○3月26日（実地開催）/March 26（In-person）

部局名/Department	実施キャンパス/Location	実施担当教員氏名 /Lecturer	実施時間帯/Time slot		実施タイトル/Title	実施内容/Description
			10:15-11:15	13:15-14:15		
ニューロインテリジェンス国際研究 機構(IRCN)/ International Research Center for Neurointelligence (IRCN)	本郷キャンパス/ Hongo Campass	長井 志江/ Yukie Nagai		○	What is it like to be a cognitive robotics researcher?	【This session will be conducted in English.】 In this lab visit, we will share our personal experiences of becoming researchers working at the intersection of human cognition and robotics. We will also discuss our experiences of conducting research in an international environment. If time permits, we will host interactive activities for the students to engage in our ongoing research as participants.
