\*Exemption

A: "○" in this column means that students enrolled in degree courses/programs offered in English at UTokyo can submit their certificate of enrollment in place of an English proficiency certificate. (This exemption does not apply to students who entered UTokyo through the general admissions or Special Screening for graduates of overseas high schools and have transferred or are transferring to the degree programs offered in English after their second year (Shingaku-Sentaku, or Admissions to Senior Division)).

B:"○" in this column means that there are other cases where exemption of submission of English proficiency scores can be made. Please see the Factsheet and websites of the partner university for further information. Please submit specified proof at the time of the internal screening by UTokyo to certify that you are eligible for those exemptions. Please keep in mind that additional documents may be required by UTokyo and/or the partner university.

																									Language requirements for English The same requirement as German language skills will apply if you plan to take courses in English. Some departments require different language levels on commencement of studies:. <a href="https://www.lmu.de/en/study/all-degrees-and-programs/programs-for-international-visiting-students/erasmus-and-lmuexchange/how-to-apply/index.html#st_img_text__master_3">https://www.lmu.de/en/study/all-degrees-and-programs/programs-for-international-visiting-students/erasmus-and-lmuexchange/how-to-apply/index.html#st_img_text__master_3</a>  The above website states that you should have at least level B1 in German when applying for admission as an exchange student. However, B2 level is required at the time of application for the internal screening. Documents proving that you received a primary and secondary education taught in the language and the document designated by UTokyo certifying student's language proficiency can be used as a substitute to a language proficiency certificate. An exemption is made for native speakers or a student attended a German speaking school or who was brought up with the German language.   *Available Courses⇒
